Service

The PBJ Series is designed to fit neatly into a BEA jamb style push plate box and is a practical solution to guide rail applications.

- Narrow design makes an easy application on guide rails and swing doors
- Beveled edges provide a tamper and vandal resistant solution
- Universal touch area at any "push" location
- Stainless steel finish is scratch/scuff resistant and will not deteriorate or rust
- Text and logo are baked onto the surface for maximum durability
- Available in multiple colors and styles to meet specifications and customer requests
