Firmware Version:

1.64.x.y

Category:

Embedded Device

Manufactured by:

Schneider Electric Automation GmbH

Is in compliance with the requirements set forth by:

Achilles Level I Certification

This certificate is restricted to the specified version of the referenced Device (including model number, hardware/firmware/software version, and control protocols) set forth in this Certificate. Any change to the Device might impair the Device's ability to pass the standards referenced in this Certificate. This Certificate is based upon limited testing, and is not a complete or comprehensive certification of the security of the Device. The Device may contain security vulnerabilities and deficiencies that are not covered by the standards referenced in this Certificate. This Certificate is subject to revocation by GE Digital. More information regarding this Certificate and the Achilles Communications Certification Standard is available at www.ge.com/digital and upon request from GE Digital.

CERTIFICATE 521-041421

A handwritten signature in black ink, appearing to read "Mark Yu".

Mark Yu

Digital Operations Leader
