

Product description	für crimp contacts
Area	series 423/425/581/680/682/723
Part no.	07 0090 000

Illustration

Technical data

General features

Part no.	07 0090 000
Additional information	für crimp contacts
Weight (g)	30.685
Customs tariff number	82032000
Country of Origin	DE

Material

REACH SVHC	Keine (No pollutants)
------------	-----------------------

Classifications

eCl@ss 11.1	27-44-01-92
-------------	-------------

Product description	<b>für crimp contacts</b>
Area	<b>series 423/425/581/680/682/723</b>
Part no.	<b>07 0090 000</b>

### Security notices

The connector must not be plugged or unplugged under load. Non-observance and improper use can result in personal injury.

The connectors have been developed for applications in plant engineering, control and electrical equipment construction. The user is responsible for checking whether the connectors can also be used in other areas of application.

Connectors which are used in circuits with voltages dangerous to the touch may only be installed and used by, or under the supervision of, persons with electrical engineering training, taking into account the applicable regulations and standards.

The user must take suitable safety precautions to ensure that the connector cannot be accidentally disconnected.

Plug connectors with enclosure protection IP67 and IP68 are not suitable for use under water. When used outdoors, the plug connectors must be protected separately against corrosion. For further information on the IP protection classes, please refer to the "Technical Information" download centre.

The plug connector is not suitable for mains voltages Please observe the pollution degree and the overvoltage category. For further information, please refer to the download center "Technical Information".

To lock the cable connector with the device connector, the threaded ring is tightened "hand-tight" (approx. 60 cNm).
