Rated data

| Input            |               |
|------------------|---------------|
| Number of phases | 3 AC          |
| Line voltage     | 380 ... 480 V |
| Output           |               |
| Rated current    | 64.0 A        |

Mechanical data

| Dimensions           |                      |
|----------------------|----------------------|
| Width                | 225.0 mm (8.9 in)    |
| Height               | 235.0 mm (9.2 in)    |
| Depth                | 180.0 mm (7.1 in)    |
| Degree of protection | IPXXA / UL open type |
| Net weight           | 18.0 kg (39.7 lb)    |

Connections

| Line side               |                                   |
|-------------------------|-----------------------------------|
| Version                 | screw-type terminal               |
| Conductor cross-section | 10.00 ... 50.00 mm² (8 ... 1 AWG) |
| Load side               |                                   |
| Version                 | screw terminals                   |
| PE connection           |                                   |
| Version                 | Screw-type terminals, M8          |

Standards

|                           |       |
|---------------------------|-------|
| Compliance with standards | cURus |
|---------------------------|-------|
