ABOUT US

Focus on low voltage electrical products manufacturing field

Shanghai Yuhuang Electric Co., Ltd is a high-tech enterprise that specialized in developing and manufacturing low voltage electrical components, molded case circuit breaker(MCCB),air circuit breaker,minature circuit breaker,automatic transfer switch(ATS),isolation switch,control and protection switch and etc.

Precision manufacturing process

Through the British Lloyd's ISO9001 system certification, all products have passed the most stringent testing requirements stipulated by GB and IEC standards, and the reliability reaches the international advanced level. With the international leading manufacturing technology, tooling and fixture and testing equipments, we adopt efficient and energy-saving production lines to ensure the precision and reliability of our products.

AIR CIRCUIT BREAKER

Product Type

Standard: GB14048.2 IEC60947-2

Name	Details
Enterprise code	Shanghai Yuhuang Electric Co. Ltd
Product category	Universal Type Circuit Breaker
Design code	1
Current rank	1000,2000,3200,4000,6300
Breaking capacity	M=Standard,H=intelligence
Pole	3P,4P
Product structure	C-Drawer Breaker ,G=Fixed Breaker
Controller	L-Economytype, M=Intelligenttype, H=Communication type

Technical parameter

Current rank	Rated current In(A)
