

Target puck for valve actuators

PUCK/IND/33

Application

Design

for butterfly valve

Mechanical data

Weight

[g]

35

Target puck diameter

[mm]

45

Materials

target puck: PVC; pointer: PVC; screws: stainless steel (316L/1.4404);
washers: stainless steel (316L/1.4404); set screw: stainless
steel (303/1.4305); locking pin: stainless steel (304/1.4301)

Remarks

Pack quantity

1 pcs.
